

NCF MANAGERS CONFERENCE 2021

TOGETHER AGAIN
*Regroup, Recovery,
Resilience*

1-2 November, Chesford Grange, Kenilworth

Managers are fundamental to the delivery of outstanding care

The 2021 Managers Conference is open to all managers from all care settings across the country, to support you in your pivotal role as your services move from crisis to recovery.

The programme will:

- Support you to make the most of your ability to deliver high quality, person-centred care
- Provide inspiration through a wide range of workshops and speakers
- Help you to support your teams to build resilience
- Support you with the challenges of the complex and rapidly changing care environment
- Pave the way for the ongoing delivery of outstanding care and support.

Presentations will include:

- People with lived experience and relatives' perspective
- Digital leadership and skills
- Mental Health First Aid
- CQC's new inspection strategy
- Equality, Diversity and Inclusion
- The importance of learning and development.
